## ABOUT KIDS DOMAIN

---

Want to become part of the Kids Domain Family?

Then welcome to Kids Domain Before & After School Care Programme.

We have a simple philosophy – if the kids are happy, then the parents are happy and they'll keep coming back.

While the kids are in the care of Kids Domain, we feel we have quality time to make a significant input into the childrens social skills. In this regard we place a lot of emphasis on their manners. Here at Kids Domain we have developed a set of rules based on safe play, respect for each other, good manners and respect for equipment and property.

My son loves it at KD. He has been going for 4 years and is always eager to get up early in the morning to go. The staff are so friendly ....H Anderson

I have been using Kids Domain since my daughter was 5years old. She is now 10 and still loves it. They provide so many things to do and cater for all age groups. I highly recommend Kids Domain to any parent ..... McKenzie Family

I am extremely happy with the service we are provided with. I love talking with the supervisors when i go to pick up my children, they are caring and lovely people and my children love them. ...A Puketapu

There is so much for my daughter to do, she has made alot of new friends from other schools which has been great for her confidence. their fees are very cheap too which helps stay in our budget.....Al Marshall

My child uses morning and afternoon care and also holiday care and loves it. He doesnt want to go anywhere else which makes my husband and I know that he is happy. Very professional staff....K Rangi

I have used Kids Domain since kiddies started school. They are fantastic with all the kids and get stuck in. The activities they have are heaps of fun and my daughter loves it. I get a subsidy which helps out with cost so I don't pay anything. If Kids Domain couldnt provide a subsidy then I would be stuck for child care as it is very expensive. 5 Star rating for Kids Domain - You Rock!!! P Taylor

Excellent facilities, almost like the kids are in a home environment - its nice much better than a school hall!!....michelle foster
