ABOUT KIDS DOMAIN

Want to become part of the Kids Domain Family? Then welcome to Kids Domain Before & After School Care Programme.

We have a simple philosophy – if the kids are happy, then the parents are happy and they'll keep coming back.

Our goal is to ensure every child enjoys their time with us – and that we cater for the needs of them and their parents. We aim to achieve this goal by providing a safe and stimulating programme in a caring and comfortable environment.

While the kids are in the care of Kids Domain, we feel we have quality time to make a significant input into the childrens social skills. In this regard we place a lot of emphasis on their manners. Here at Kids Domain we have developed a set of rules based on safe play, respect for each other, good manners and respect for equipment and property.

Kids Domain has been operating since 2002 when the Lower Hutt centre opened. The Stokes Valley centre has been operating since 2006.
